

Since 1985, our family has provided your family with home comfort.

Wesco Oil has provided service in the greater Providence area, the Blackstone Valley area, and southeastern Massachusetts for over 40 years.

The time-tested business, family-owned since 1985, is now managed by the dedicated second and third generations of Wesco Oil professionals.

The full-service company works with both residential and commercial clients, offering a variety of heating plans based on a wide variety of needs.

Services include automatic delivery, year round 24 hour emergency service, and free heating surveys. All heating and air conditioning equipment is installed by our licensed technicians, always understanding and willing to work on a personal level with our clients.

+ EMERGENCY SERVICE

At Wesco Oil, we are here for our customers. No matter what the season or reason, you can count on a Wesco Oil service technician to come to your home. For leaks, noises or other malfunctions that do not result in the loss of heat, a technician will come to your home the following day. Hot water and air conditioning issues are not emergencies.

General Conditions and Exclusions

1. The Protection Plan is limited to burner rates up to three gallons per hour. Oil tanks, oil lines, and any associated problems are specifically excluded unless otherwise noted. Wesco Oil Co., Inc. reserves the right to inspect the equipment covered before acceptance. Any parts necessary for acceptance will be charged at prevailing rates unless otherwise specified. The plans renew annually. The plan and billing will renew automatically at the annual start date unless canceled by either party with written notice at least 30 days prior to the anniversary date.
2. This Protection Plan is not a boiler or furnace replacement policy. Wesco Oil reserves the right to deem equipment not worth repairing based on factors such as age and condition.
3. The plan selected and services rendered are contingent upon customer's purchasing all of their heating oil requirements from Wesco Oil. Annual tune-ups will be scheduled during normal working hours, Monday through Friday from 8:00am to 4:00pm. The plan is transferable to new owners if the house is sold, but is not refundable. Further, the plan is void if any person, including owner, renders service to equipment except as instructed by us.
4. Account must be current. Past due balances on any open account will void this plan. Payment for all service work is due at the time the service is provided.
5. Wesco Oil shall not be responsible for customer's failure to use ordinary care in the operation of any heating/hot water system, such as, but not limited to, resetting breaker switches, turning on and off power switches, frozen pipes, air in system, and temperature adjustments.
6. Frozen or congealed oil lines, water or contamination in fuel, electric and/or wiring problem, or customer not available will be charged at prevailing rates or as specified. Failure to have unoccupied house checked daily during below freezing weather may void this plan.
7. Our obligation to service and replacement of any part is subject to location accessibility and parts availability through normal sources of supply.
8. This plan does not cover services or replacement of parts damaged by water, fire, hurricane, tornado, flood, lightning, electrical failure, acts of God, malfunctioning, tampering, accident, or abuse. Wesco Oil shall not be held responsible for any non-performance when prevented by any circumstances beyond its control.
9. The plan does not include: boiler or furnace replacement, domestic water repairs, radiators, connectors, hot water coils, water gaskets, outdoor reset controls, advanced controls, warm air panels, zone dampers, repair of water leaks, repair or damage resulting from frozen pipes or oil lines, power vents, damage or leaks to components caused by anti-freeze, or items not identified in plan agreement unless otherwise specified.
10. This agreement may be terminated by Wesco Oil (a) if service is afforded by anyone other than Wesco Oil, (b) if customer fails to comply with Wesco Oil credit terms, (c) if customer fails to provide a safe and reasonably clean place in which to work, (d) if customer installs or attaches non-compatible devices to any system, or (e) if a customer discontinues oil service or deliveries.
11. Wesco Oil will not be held liable for injury or damage to persons or property or consequential damage resulting from defects in, or the non-operation of, customer heating equipment, water heater, or its accessories, including the oil storage tank, nor for damages resulting from heat failure in a building.
12. Amendment and Cancellation. We may amend or change the terms of this plan at any time. We may amend or change the services ordered as part of the plan at any time. You will be notified of any change in the manner provided by applicable law prior to the effective date of the change. It is agreed that if any tax or other charges are imposed by any governmental authority with respect to the sale, delivery, or disposal of the products covered hereby, it will be added to the price paid by the buyer.
13. **No Price Match w/ a contract.**
